MHA is a community-based organization offering multi-faceted programs and services to individuals with mental illness, developmental disabilities, veterans, victims of sexual assault and other crimes in the Orange County community. MHA's safety net services are designed to actively address the social determinants of health.

www.mhaorangeney.com/pg/programsandservices.html - Main guide to MHA in OC's services and programs. All programs below are listed in this link with contact and application information. These are only a few of the many services we provide.

Access to Money Reimbursement - Fiscal assistance for individuals with developmental disabilities and their families for goods and services or reimbursement for recent expenditures not otherwise within the family budget.

ASSIST- Acquiring Social Skills Through Intervention, Support, and Training is a group facilitated by a Special Education Teacher designed for children aged 5-10 years old who are residents of Orange County and have OPWDD eligibility.

Coordinated In-Home Support Project (CIHS) - A Collaboration of six agencies in Orange County providing 1:1 services for children with autism spectrum disorders to promote skill building at home and in the community.

Family Support: Provides support groups, newsletters, advocacy and educational services to families and friends of adults and children experiencing mental or emotional disabilities.

Friends: A Social skills group for youth ages 9 to 17 with social, behavioral or emotional difficulties. Groups meet throughout Orange County.

Respite: After school and after adult day program respite for individuals with developmental disabilities living with their family in Orange County.

Invisible Children's Project: Family case management and supported housing for adults with a psychiatric disability and their children.
